**Investments are not deductible for income tax purposes. Investments to RPAC are voluntary and are used for political purposes. The amount suggested is merely a guideline and you may invest more or less than the suggested amount. You may refuse to invest without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount invested. 70% of each investment is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a.**
