- Be involved in problem-solving activities on issues of current interest
- Network with leaders across the state who are actively involved in improving our association and profession
- Develop team-building and leadership skills
- Learn to communicate clearly and effectively
- Understand the requirements to be an effective leader
- Examine management and relationship-building principles
- Learn to balance life and work

APPLICATION PROCEDURE

Completed applications along with a recent photo and two letters of recommendation are required to be considered for an interview. Application packets are reviewed and participants are selected by an anonymous committee of LeadershipOAR graduates and members. 12-15 participants will be selected for the program. Efforts are made to balance participants according to business specialty, geography and other demographics.

The tuition cost for 2018 is \$1,195. This tuition includes all training sessions, meals, instructional materials and overnight accommodations (on a double sharing basis). Additional costs to the participants will include transportation to and from the meetings or retreat sites and minimal expenses, which may be incurred during the field exercise phase of the program. There is a \$195 application fee which is due at the time you submit your application. This application fee will be applied towards

tuition if you are accepted as a participant or returned if you are not selected. All participants are encouraged to reach out to their local board/association or other sponsor options to help them offset this cost.

Applications should include as much information as possible. Additional pages may be used if necessary. No applications will be considered without a recent photo and two letters of recommendation. Deadline for application is **January 5, 2018**. Applications will not be accepted after this date.

SELECTION CRITERIA
